"Now more than ever is the perfect time for convenience store operators to expand their private label offerings."

-Tom Pirovano, Director of Industry Insights,
The Nielsen Company, October 2008

\$0.65 per energy shot. 100% Your brand. Low Minimums!

We provide complete custom design work. Got a specific idea in mind or an existing logo to work with? We'll develop a complete look and feel that compliments it. We can even create a unique logo for your energy shot brand.

Launch your own energy shot brand and widen your margins! Retailers, Wholesalers & distributors can now buy a minimum of one pallet of private labeled energy shots for \$0.65 per bottle. This package includes everything, including your private label shots, POP display box and bottles.

MBG can offer even better rates on runs over three pallets at a time. Call today to get your brand started.
